

Fact Sheet

COMPASS ROSE *A program of New Narrative*

MISSION

Equipping foster young adults aging out of DHS with the tools towards self-sufficiency.

WHO WE ARE

• Compass Rose is a supportive living program that bridges gaps of opportunity for foster young adults aging out of DHS care. Our clinical, housing, and peer mentor teams collaborate on person-led action plans where the youth can be the main voice in deciding what their independence looks like.

OUR PROGRAMS

• Clinical

- The Clinical Team within Compass Rose is made up of New Narrative's Qualified Mental Health Associates (QMHA's) and Qualified Medical Health Professionals (QMHPs) who offer health services, including
 - Counseling
 - Case Management
 - Medication Management
- Qualifications: the participant must be a DHS youth ages 18-20, with a referral from DHS.

• Housing

- New Narrative Property Management provides a team of property managers who oversee the participants' living units, allowing them the opportunity to build rental histories in safe and trauma-informed environments.
- Qualifications: the participant must be a DHS youth ages 18-20, with a referral from DHS.

• Peer Support

- Our peer mentorship team of certified mentors use their lived experiences as a tool to provide participants with advocacy, self-expression, and community building.
